About Us

Who We Are

Established in 2024, TNV International is an India-based manufacturing Powerhouse behind the IndoLooms Brand and Export Company dedicated to delivering premium-quality textile and garment solutions to global markets. Headquartered in Mumbai, the company blends advanced manufacturing practices with the rich textile heritage of India to produce products that meet international expectations for quality, consistency, and reliability

Our operations are built on quality control, transparent processes, and timely execution, enabling us to serve buyers across diverse global markets with confidence and consistency

Manufacturing Excellence

At TNV International, manufacturing excellence is achieved through:

- Carefully sourced raw materials from premium textile clusters
- Skilled workforce specializing in export-grade craftsmanship
- Modern production techniques and quality assurance systems
- Strict adherence to international compliance and quality norms

This integrated approach allows us to maintain consistent quality across large production volumes, while remaining flexible to meet client-specific requirements

Commitment to Quality & Compliance

Quality is the foundation of everything we do. From sourcing to final inspection, TNV International follows well-defined quality standards aligned with global export requirements

Our commitment ensures:

- Reliable and repeatable product quality
- Compliance with international buyer specifications
- Reduced risk and greater confidence for overseas partners

Our Vision

To become a trusted global manufacturing and export partner, known for reliability, ethical business practices, and long-term value creation

Our Mission

- To deliver premium garments that exceed global quality standards
- To build long-lasting partnerships through transparency and trust
- To Showcase Indian manufacturing excellence in international markets
- To Ensure 100% on-time delivery with transparent communication

Global Partnerships

TNV International focuses on building long-term relationships rather than transactional business. By offering dependable production capabilities, clear communication, and consistent delivery schedules, the company positions itself as a reliable extension of its clients' supply chains

Flagship Brand – IndoLooms

Through its flagship brand IndoLooms, TNV International proudly showcases Indian craftsmanship on the global stage. IndoLooms represents:

- Manufacturing excellence rooted in India
- Contemporary designs aligned with global trends
- Premium garments crafted for international buyers

IndoLooms stands as a symbol of India's textile heritage combined with modern production standards- manufactured in India, trusted worldwide

Why TNV International

- India-based manufacturing with global export focus
- Strong quality control and compliance systems
- Transparent and ethical business practices
- Reliable timelines and consistent production
- Commitment to long-term international partnerships

The Standard of Excellence

IndoLooms bridges the gap between premium Indian textiles and the discerning Global market
We don't just trade; we manufacture with precision
